Shermco Industries' Kevin Ewing appointed Vice Chair for 2012 IEEE Power & Energy Society Austin Chapter

AUSTIN – Shermco Industries' Kevin Ewing, general manager of the Austin office, has been appointed vice chair for 2012 IEEE Power & Energy Society for the Austin chapter.

Ewing has been an active member for four years and served as chapter treasurer in 2011. His new role as vice chair will include responsibilities of event coordination and membership development.

“This is a great trade organization to be a part of, and I am happy to serve in whatever capacity I can,” said Kevin Ewing, general manager of the Shermco Austin office.

The [IEEE Power & Energy Society](#) is a worldwide, non-profit association of more than 26,000 individuals engaged in the electric power energy industry. The organization's mission is to be the leading provider of scientific information on electric power and energy for the betterment of society and the preferred professional development source for those in the industry.

ABOUT SHERMCO

[Shermco Industries](#) is a provider of safe, reliable testing, repair, professional training, maintenance and analysis of rotating apparatus and electrical power distribution systems and related equipment for the light, medium, and heavy industrial base nationwide. Founded in 1974 in Dallas, the company is comprised of two strategic business units; the Machine Services Division and the Engineering Services Division. With a corporate location in Irving, Texas, a sales office in Brussels and service centers in Austin, Cedar Rapids, Des Moines, Houston, Sweetwater, and Tulsa, Shermco Industries has over 400 full-time employees. The company is a member in good standing with the Electrical Apparatus Service Association, American Wind Energy Association, Professional Electrical Apparatus Recyclers League, and the InterNational Electrical Testing Association. For more information about Shermco Industries, visit www.shermco.com.
