Shermco's Stephanie Owen appointed 2014 IEEE Industry Applications Society's Electrical Safety Workshop Hospitality Chair

IRVING, Texas – Shermco's Stephanie Owen has been appointed 2014 IEEE IAS Electrical Safety Workshop hospitality chair.

Known in the electrical industry as one of the most important and influential electrical safety events, the conference will be held at the Sheraton San Diego Hotel & Marina San Diego, Calif., Feb. 4-7, 2014. There is expected to be more than 600 in attendance.

The conference is sponsored by the IEEE Industry Applications Society. The organization accelerates the application of breakthrough improvements in human factors, technology and management systems that reduce risk of electrical injuries, stimulates innovation in overcoming barriers, and changes and advances the electrical safety culture to enable sustainable improvements in prevention of electrical accidents and injuries.

For information regarding hospitality suites, call Stephanie at Shermco Industries, 972-793-5523.

#### **ABOUT SHERMCO**

Shermco Industries is a provider of safe, reliable testing, repair, professional training, maintenance and analysis of rotating apparatus and electrical power distribution systems and related equipment for the light, medium, and heavy industrial base nationwide. Founded in 1974 in Dallas, the company is comprised of two strategic business units; the Machine Services Division and the Engineering Services Division. With a corporate location in Irving, Texas, a sales office in Brussels and service centers in Austin, Cedar Rapids, Des Moines, Houston, San Antonio, Sweetwater, and Tulsa, Shermco Industries has over 440 full-time employees. The company is a member in good standing with the Electrical Apparatus Service Association, American Wind Energy Association, Professional Electrical Apparatus Recyclers League, and the InterNational Electrical Testing Association. For more information about Shermco Industries, visit [www.shermco.com](http://www.shermco.com).
