Shermco Industries hires Daniel Russell

DALLAS –Daniel Russell has been hired as an account manager for Shermco Industries, a rapidly-expanding company that specializes in maintenance and repair for industrial rotating apparatus and electrical power distribution systems.

Russell has many years of experience in industrial motor-related fields and account management. He will be responsible for business development and management for Shermco's Machine Services Division in northeast Texas and southeast Okla.

ABOUT SHERMCO

Shermco Industries is a provider of safe, reliable testing, repair, professional training, maintenance and analysis of rotating apparatus and electrical power distribution systems and related equipment for the light, medium, and heavy industrial base nationwide. Founded in 1974 in Dallas, the company is comprised of two strategic business units; the Machine Services Division and the Engineering Services Division. With a corporate location in Irving, Texas, a sales office in Brussels and service centers in Austin, Cedar Rapids, Des Moines, Houston, San Antonio, Sweetwater, and Tulsa, Shermco Industries has over 440 full-time employees. The company is a member in good standing with the Electrical Apparatus Service Association, American Wind Energy Association, Professional Electrical Apparatus Recyclers League, and the InterNational Electrical Testing Association. For more information about Shermco Industries, visit www.shermco.com.
