Shermco to Host Networking Reception at AWEA Wind Energy Fall Symposium 2013

DALLAS – Shermco Industries will host the kick-off networking reception at the AWEA Wind Energy Fall Symposium 2013. The symposium will be held at the Broadmoor Hotel in Colorado Springs, Colo., November 6-7.

The kick-off reception will feature cocktails and hors d'oeuvres, and will be held on the evening of November 6 from 5 to 6:30 p.m.

“We are looking forward to this event and seeing all our friends in the wind industry,” said Ron Widup, Shermco CEO. “The exchange of ideas and knowledge at this event always advances the wind energy sector.”

ABOUT SHERMCO

Shermco Industries is a provider of safe, reliable testing, repair, professional training, maintenance and analysis of rotating apparatus and electrical power distribution systems and related equipment for the light, medium, and heavy industrial base nationwide. Founded in 1974 in Dallas, the company is comprised of two strategic business units; the Machine Services Division and the Engineering Services Division. With a corporate location in Irving, Texas, a sales office in Brussels and service centers in Austin, Cedar Rapids, Des Moines, Houston, San Antonio, Sweetwater, and Tulsa, Shermco Industries has over 440 full-time employees. The company is a member in good standing with the Electrical Apparatus Service Association, American Wind Energy Association, Professional Electrical Apparatus Recyclers League, and the InterNational Electrical Testing Association.
