### **Jennifer Colleps, Kyle Kirkpatrick to Present at Region VI VPPPA Conference**

DALLAS – On Monday, May 5<sup>th</sup>, Jennifer Colleps and Kyle Kirkpatrick of Shermco Industries will present “Challenge - A Different Road Map to VPP” at the 2014 Annual Safety and Health Conference for the Region VI VPPPA. The conference will be held May 5-8 at the State House Convention Center in Little Rock, Ark.

Colleps, Kirkpatrick and three other industry experts will lead the session from 1 – 4p.m., providing a presentation overview of the VPP Challenge Program, followed by a panel discussion and Q&A regarding the program and best practices.

For more information on the conference and agenda, please visit <http://regionvivpp.org/conference2014/>.

#### **ABOUT SHERMCO**

Shermco Industries is the leading independent provider of safe and reliable acceptance testing, commissioning, maintenance, repair and remanufacturing of electrical equipment and power distribution systems. With service centers located throughout North America, certified technicians and engineers focus on servicing both scheduled and unexpected projects for large commercial, industrial and utility customers. Shermco, a leader in electrical safety and technical training as well as industrial electrical contracting, utility, wind turbine maintenance and disaster recovery services. Shermco Industries is a member in good standing with the Electrical Apparatus Service Association, American Wind Energy Association, Professional Electrical Apparatus Recyclers League, and the InterNational Electrical Testing Association.
