Shermco Industries to Present Do's and Don'ts of Circuit Breaker Maintenance

Webinar Free of Charge on Thurs., June 19th

IRVING, Texas – On Thursday, June 19th, Shermco Industries will present a free webinar on the ‘Do’s and Don’ts of Circuit Breaker Maintenance’ at 10 a.m. CDT.

Veteran electrical industry professionals Mike Hancock, Jim Miller and Curtis Glover of Shermco will present the one-hour webinar, which is open to anyone who works in electrical or industrial maintenance capacities.

The webinar will cover:

- Remanufacturing versus Reconditioning
- Retrofits and upgrades (solid state)
- Acceptance and Maintenance Testing Practices (NETA MTS and ATS)
- Breaker failure statistics and importance of breaker maintenance
- Arc flash impact of failed breakers
- What NFPA70E states about maintenance
- How to establish maintenance intervals using industry standards

Register for this free webinar by visiting Shermco University or contact Reggie Harris at rharris@shermco.com or 972-793-5523.

ABOUT SHERMCO

Shermco Industries is the leading independent provider of safe and reliable acceptance testing, commissioning, maintenance, repair and remanufacturing of electrical equipment and power distribution systems.
