### **Shermco Honored by Mayor at Irving Newsmaker Reception**

DALLAS – On Monday, June 30, Irving City Council members and local civic and business leaders gathered for the quarterly Newsmaker Reception where Irving Mayor Beth Van Duyne honored Shermco Industries and other local newsmakers.

The reception, held at the Byron's Banquet Room at the Sports Club in Irving, was sponsored by the Irving Economic Development Partnership and the Four Seasons Resort and Club to recognize local businesses and business leaders that have made recent accomplishments.

In the past year, Shermco Industries acquired Magna Electric Corporation in Canada, becoming the industry leader and largest in electrical safety, maintenance and repair in North America.

“We are proud to be recognized by the mayor and our hometown leaders. Shermco has always enjoyed being an integral part of this community,” said Ron Widup, Shermco CEO.

#### **ABOUT SHERMCO**

Shermco Industries is the leading independent provider of safe and reliable acceptance testing, commissioning, maintenance, repair and remanufacturing of electrical equipment and power distribution systems. With service centers located throughout North America, certified technicians and engineers focus on servicing both scheduled and unexpected projects for large commercial, industrial and utility customers. Shermco, a leader in electrical safety and technical training as well as industrial electrical contracting, utility, wind turbine maintenance and disaster recovery services. Shermco Industries is a member in good standing with the Electrical Apparatus Service Association, American Wind Energy Association, Professional Electrical Apparatus Recyclers League, and the InterNational Electrical Testing Association.
