Shermco Industries' Kevin Alewine Chairs International Panel for Nanodielectrics Research

IRVING, Texas – Kevin Alewine chaired an international panel on new developments in nanodielectrics research held June 10 at the 2014 Electrical Insulation Conference. Alewine moderated the three-hour session which included five technical-paper presentations on a diverse cross section of topics related to new nanodielectrics research, most specifically regarding nanocomposites used for electrical insulation.

The Electrical Insulation Conference is sponsored by the IEEE Dielectrics and Electrical Insulation Society and was held this year in Philadelphia, Pa. The conference ran from June 8-11 and included more than 100 technical papers and presentations discussing the state-of-the-arts in materials development and testing methodologies for electrical and electronic applications ranging from micro machines to massive hydro turbines to utility scale transformers. The 2015 Electrical Insulation Conference will be in Seattle, WA on June 7-10, 2015.

Alewine was also publications chair for the conference. For more information visit www.sites.ieee.org/eic/.

ABOUT SHERMCO

Shermco Industries is the leading independent provider of safe and reliable acceptance testing, commissioning, maintenance, repair and remanufacturing of electrical equipment and power distribution systems. With service centers located throughout North America, certified technicians and engineers focus on servicing both scheduled and unexpected projects for large commercial, industrial and utility customers. Shermco, a leader in electrical safety and technical training as well as industrial electrical contracting, utility, wind turbine maintenance and disaster recovery services. Shermco Industries is a member in good standing with the Electrical Apparatus Service Association, American Wind Energy Association, Professional Electrical Apparatus Recyclers League, and the InterNational Electrical Testing Association. For more information about Shermco Industries, visit www.shermco.com
