### **Jason Greer Promoted to Vice President of Business Development**

DALLAS – Shermco Industries today announced it has promoted Jason Greer to vice president of Business Development.

Formerly director of National Accounts, Greer will have corporate responsibility for all national accounts, business development and marketing. Greer started with Shermco as a sales engineer in 2009 and has quickly moved up the ranks over the past six years.

“We are confident that Jason can lead our expansion efforts and maintain the company’s current fast-pace growth. Our client base values his experience. He is a true asset,” said Ron Widup, Shermco CEO.

#### **ABOUT SHERMCO**

Shermco Industries is the leading independent provider of safe and reliable acceptance testing, commissioning, maintenance, repair and remanufacturing of electrical equipment and power distribution systems. With service centers located throughout North America, certified technicians and engineers focus on servicing both scheduled and unexpected projects for large commercial, industrial and utility customers. Shermco, a leader in electrical safety and technical training, focuses on industrial electrical contracting, utility, wind turbine maintenance and disaster recovery services. Shermco Industries is a member in good standing with the Electrical Apparatus Service Association, American Wind Energy Association, Professional Electrical Apparatus Recyclers League, and the InterNational Electrical Testing Association.
