## **Shermco Contributes to WFAA TV's Santa's Helpers**

**IRVING, TX** - Representatives from Shermco Industries delivered two trailers full of toys to the WFAA Channel 8 studio for the Santa's Helpers drive led by Channel 8's Pete Delkus on December 19. Shermco employees, families and friends contributed to the drive, starting in early November. With more than \$7,000 in cash collected, combined with new toy donations, Shermco employees were able to donate more than \$12,500 in toys with the added help of Walker Services who added \$2500 in toys to the effort. This is Shermco Industries' 6th year to participate in this worthwhile charity event. "I'd like to thank everyone who came together to make this happen. Their generosity will be responsible for more smiles and happy children on Christmas morning this year. Also, I'd like to extend a special thanks to the Toys R Us in Allen for stretching our donation dollars with some special discounts and to Ron Widup, our CEO, for allowing and supporting this effort," said Calvin Earp who coordinate the annual project at Shermco.
