Shermco Hosts EASA Southwest District 2 Summer Meeting

DALLAS – Shermco Industries will host the EASA Southwest District 2 Summer meeting on Thursday, August 15 from 5 p.m. to 9 p.m. at the company's corporate headquarters located at 2425 East Pioneer Drive, Irving Texas.

The event will feature a technical session on NFPA 70E by resident expert, Jim White, as well as a catered dinner by Blue Mesa Grill, a shop tour and vendor table-top literature displays.

The meeting is open to EASA members, affiliate members, chapter board members, spouses and shop members from surrounding districts.

Reservations can be made through Toni Naugle, no later than Tuesday, Aug. 13, at 972-793-5523 or by email, tnaugle@shermco.com.

ABOUT SHERMCO

Shermco Industries is a provider of safe, reliable testing, repair, professional training, maintenance and analysis of rotating apparatus and electrical power distribution systems and related equipment for the light, medium, and heavy industrial base nationwide. Founded in 1974 in Dallas, the company is comprised of two strategic business units; the Machine Services Division and the Engineering Services Division. With a corporate location in Irving, Texas, a sales office in Brussels and service centers in Austin, Cedar Rapids, Des Moines, Houston, San Antonio, Sweetwater, and Tulsa, Shermco Industries has over 440 full-time employees. The company is a member in good standing with the Electrical Apparatus Service Association, American Wind Energy Association, Professional Electrical Apparatus Recyclers League, and the InterNational Electrical Testing Association.
