- ✓ Shermco has partnered with a Practicing Perfection Institute provider taking our quality, efficiency, and safety to the next level and developing a safety culture of constant improvement.
- ✓ Shermco's incident rates (TRIR, DART, LTIR, and VIR) have been well below industry averages for NAICS codes.
- ✓ Shermco and its employees are active members and participants in industry associations such as:

- ✓ Shermco is an active member of DISA and ACT drug testing consortiums and remains in compliance with NCMS standards each year to insure employees are drug and breath alcohol tested according to the published guidelines of these third party consortiums.

**Keeping Our People,  
Your People, and  
Your Assets Safe and  
Incident Free is One of  
Our Core Values.**
